Building /Grounds updates: Shelving has now been installed in the St. Mary's basement thanks to a donation from Lozier along with Lozier volunteers and Jim Kastler with volunteers of the St. Mary's Knights of Columbus. The elevator is now operating and being used! We were required to add two new phone lines in our building, to connect the elevator to a 24 hour monitoring service which also monitors our fire alarm. The other three lines include our two phone lines used to accept and make phone calls, plus a designated fax line. We had a walk- through / around the external portion of the building January 9th with Jeff Neil, Kyle Denham, Randy Guthery, Jeff Hughey, Joe Pastzner, Patricia More and Stephen Jones. Various items were noted to be completed. John England, or custodian is doing a great job making our floors shine.
