

St. Peter's and McAuley Catholic Students and Families,

We are in the home stretch of the school year and blessed to be celebrating our teachers this week! There is quite a bit of information this week so please make sure to read through it all and let us know if you have any questions! It is a great day, week and month to be a WARRIOR!!

Remember that you can have 24/7 access to our End of the Year Calendar using this link: [Click Here for Calendar](#)

We update this information daily.

Our Teachers THRIVED This Year

This week is Teacher Appreciation Week and you can help celebrate our teachers in a variety of ways.

- We are collecting gift cards to give to teachers throughout the week and on Friday. I am asking for primarily \$5-\$10 amounts so that teachers can receive prizes for challenges throughout the week. We have 20 teachers/staff members that will be included in the festivities. (This includes Darren, Marla, Vida and Dr. Fox). You can also send money and we will purchase gift cards.
- We are also accepting appreciation notes to teachers from parents and students. These will be presented in a bouquet as well. If you write a thank you message, I ask that you write one to each of your child's teachers. They do not need to be long, they can simply say, "Thank you for all you do!" or "We appreciate you!"
- Finally, we will have a snack area set up throughout the week if you would like to send any snack or dessert items for teachers to munch on.
