

St. Peter's and McAuley Families and Students,

Please see the following information regarding this week.

Newbie's Day: Friday,

September 10th

9th and 12th graders will spend the morning together on Friday, September 10th. They will leave campus at 8:30 am and return at 10:30 am. Students will go miniature golfing and be chaperoned by McAuley faculty members. Newbie Day was started as a way for 9th and 12th graders to create positive memories and interactions at the beginning of the school year.

McAuley Dance: Boots

N Bling, Friday, September 10th 7:00 pm - 9:00 pm

McAuley's annual Boots and Bling dance will be this Friday, September 10th from 7:00 pm to 9:00 pm. Entrance is \$5 per person. There will be no couples ticket prices. All proceeds benefit the McAuley National Art Honor Society.

Matilda Tryouts: Wednesday,

September 8th After School

Tryouts for our Fall play, Matilda will take place tomorrow, Wednesday, after school in Mrs. Stremel's classroom located in the St. Peter's building. With any questions concerning tryouts, please email Mrs. Kristen Stremel at kstremel@jacschools.org.

FBLA Membership

All McAuley students wanting to join FBLA will meet during advisory time today. Anyone who missed the meeting can still join. Please reach out to Mr. Drew Fethers at dfethers@jacschools.org with any questions.

Grade Checks: Tuesday,

September 7th

We conducted our first grade check this morning. Parents of students with a failing grade will be notified via email. Our next grade check will be Monday, September 20th. We will send out information regarding student and parent grade check capability.

Friday, September

10th: \$2 Charity Free Dress

[Click Here for 2021-2022 Friday Dress Schedule](#)

Water Bottles:

We encourage all students to bring a water bottle since we are unable to use the drinking fountains due to Covid restrictions. We **do have** the ability to use the water fountain that allows students to fill up their bottle while at school. However, there are times that students forgot those water bottles and we provide them with a solo cup to use during the day.

Last year, we purchased quite a few packages of the red solo cups from Sam's in the largest package possible. We are once again at the point that we are almost out. If you would like to donate some 16 oz or larger cups, we would greatly appreciate it. If you don't want to purchase the cups but would make a monetary donation to purchase them, please send the money in an envelope addressed to Darren Cook and he will make sure that the money is set aside and purchase cups as we need them.

College Representative Visit:

The University of Missouri-Columbia will be at McAuley on Wednesday, September 8th at 1:45 p.m. to visit with juniors and seniors that are interested in attending school there.

MSSU Regional College Fair

The MO Southern Regional College Fair will be held **September 29 from 5:30pm-7:00pm in Young Gymnasium.**

Students will have the opportunity to speak with and receive information from many schools around the area. **Students you MUST pre-register for the fair [HERE](#).**

After you pre-register, you will receive a barcode that each college you speak to will scan, so they are able to send you information. This barcode will also be your "ticket" into the fair, so it is important that you register ahead of time.

This is a REGIONAL event so there will be lots of area students there so typically many of the colleges and universities from a large area are there! Great place to talk to a variety of higher ed institutions! ***This is open for all students grades 9-12 that are planning on attending college after high school graduation!***

McAuley Yearbook Sales:

It's time to order the 2022 **McAuley Shield Yearbook**. Purchases may be made online. Simply go to www.jostensyearbook.com.

Yearbook order forms are available in the office. The cost is 30.00 with additional packages that can be purchased as well. Don't miss out on a year of memories! Buy your yearbook TODAY!

Spotlight
on MERCY Values:

We will be focusing and spotlight a Mercy value each month. This month, the Mercy value was Mercy. One of our faculty looked up the definition to help him/her select the recipient from his/her family. “Mercy is defined as empathy or love that manifests itself in action that is practical and thoughtful, warm and open, respectful and enabling. It is inextricably linked to compassion, justice, dignity, excellence, hospitality and stewardship.

On Friday, September 3rd, students were selected from each family and a spotlight was placed upon them for showing mercy to his/her classmates and faculty. Each family consists of students from all grade levels 6-12th and the recipients are pictured below.

Lunch
Menu:
September 6th
