**Library Challenge!**

Check out the message below from Mrs. Bond. She has some great library activities planned for our students! If any adults want to participate feel free....I know I am!

Greetings, from the library!

Below, you'll find the link to a webpage with information for this year's reading challenge:

[Click Me!](#)

If you sign up, you'll receive your passport on Friday!

One question I'm getting is whether or not you can count books that you've already read. The answer is no. I want you to challenge yourself to read new books! Therefore, you may not count books that you read before today. If you're in the middle of a book, you may count it, as long as you finish it after today.

Keep up the questions!

Be on the lookout for more library activities this week!

### **Booster Club Mum Fundraiser Info**

Delivery will be the first week in October. The company will not give us an exact date until it gets closer. We apologize for the late delivery. Covid continues to play a role in product availability. We will post the delivery date as soon as the date is confirmed. Thank you for being patient.

Community service hours will be available this weekend to all students willing to help sell mums at St. Peter's and St. Mary's masses. If your family or athlete is willing to help sell mums after mass, please text Ryan Taffner at 417-439-9650. All help is greatly appreciated.

We are very close to meeting our goal! Please help us boost our sales! If you're on social media, Please go to our McAuley FaceBook page and share the post regarding the mum sales. Every "like" and "share" that people do will help us increase our sales!

Thank you for helping us make this fundraiser a success! We could not do this without the help of the parents and athletes.
